EDUCATION

Universitas Pamulang	2022 – Present
3rd year Undergraduate Teknik Informatika Student	
IPK 3.78/4.00	
EXPERIENCE	
Mentee of Front End Engineering Portfolio Program – SISTECH (Sisters in Tech) by RISTEK Fasilkom UI • Participating in a comprehensive mentorship program focused on Front End Engineering. • Developing a portfolio of front-end projects, applying learned skills in JavaScript, HTML, CSS. • Engaging in mentorship sessions to accelerate professional development and career readiness in the tech industry.	July 4th – August 9th 2025
PT. Mitra Buana Suradinata – Truck Rental Management System (Internship & Research Project) • Developed and managed the backend infrastructure for a web-based truck rental management system, using PHP and MySQL. • Designed and implemented the Admin Management Dashboard, enabling efficient order tracking, status updates (pending, paid, cancelled), and vehicle inventory management. • Oversaw database management, ensuring data integrity and optimizing queries for various administrative functionalities. • Collaborated with a frontend developer (Taufiq) and a research & liaison lead (Dini) in an agile environment. • Contributed to the practical application of software development principles within a real-world business context.	March 2025 – June 2025 (3 Months)

Part of Mahasiswa Kampus Mengajar Batch 7 as a captain team at SMP Negeri 159 Jakarta • Led a team of 5 students in implementing innovative learning programs, focusing on technology integration and foundational literacy-numeracy skills. • Designed and facilitated interactive workshops on Scratch application introduction and implementation to enhance students' computational thinking and problem-solving abilities. • Collaborated with school teachers and staff to develop and execute strategies for improving students' literacy and numeracy, resulting in improved learning outcomes. • Managed project timelines, delegated tasks, and ensured effective communication within the team and with school stakeholders. • Actively participated in various school activities to foster a positive learning environment.	**Febuary 26th – June 16th 2024**
Master of Ceremony and Participant, Community Service Program (Pengabdian Kepada Masyarakat) – Universitas Pamulang • "Sosialisasi Perkembangan TIK dan IoT untuk SMK Negeri 12 Kabupaten Tangerang Banten" (19 – 20 Oktober 2023) • Served as the Master of Ceremony (MC), ensuring the smooth flow and engaging delivery of the event. • Facilitated interactive sessions and managed audience engagement during the program. • Contributed to the successful execution of an educational initiative focused on introducing Information and Communication Technology (ICT) and Internet of Things (IoT) concepts to high school students.	**October 19th – October 20th 2023**
Completed Junior Mobile Programmer Program, VSGA Digitalent Scholarship 2023 • Successfully completed a comprehensive 7-week Junior Mobile Programmer program, gaining essential mobile development skills. • Achieved 3 of 7 Junior Mobile Programmer Occupational Schemes through a certification process with LSPI INFORMATIKA, validating proficiency in key mobile development competencies.	**June 13th – July 28th 2023**

VOLUNTEER AND COURSE EXPERIENCE

Gereja Mula Mula - Pantai Indah Kapuk (Volunteer) • Contributed to live event broadcasts and YouTube productions, encompassing camera operation, video switching, and live streaming management using OBS Studio. • Ensured high-quality video content capture and seamless transitions for engaging online audiences.	**November 2024 – Present**
Participant of Sign Language Interpreter Training conducted by the Disability Services Institute (Lembaga Layanan Disabilitas) of Universitas Pamulang. • Completed comprehensive training • Acquired foundational knowledge and skills in sign language interpretation.	**June 16th – 19th 2025**
GSKI REHOBOT PIK (Volunteer) • Contributed to live event broadcasts and YouTube productions, encompassing camera operation, video switching, and live streaming management using OBS Studio. • Ensured high-quality video content capture and seamless transitions for engaging online audiences.	**2022 – 2024**
KPU RI • Member of Polling Station Organizing Group (KPPS 4) for TPS 049, Kecamatan Grogol Petamburan. • Successfully facilitated the democratic process by ensuring the integrity and smooth operation of voting procedures during the general election. • Managed voter registration, ballot distribution, and vote counting in accordance with electoral regulations.	**Febuary 14th 2024**
Kemkominfo, Siberkreasi & Paberik Soeara Rakjat • Participated in and completed the "Public Speaking for Podcasters" program, a collaborative initiative focused on enhancing digital literacy and audio content creation skills. • Acquired practical public speaking techniques tailored for podcasting, including vocal delivery,	**March 20th – April 4th 2021**

storytelling, and audience engagement strategies.	
GNLD #Siberkreasi & Kominfo • Participated in and completed Kelas Podcast Siberkreasi Batch 2, a program under the National Digital Literacy Movement (GNLD) aimed at fostering digital creativity and responsible content creation. • Acquired practical skills in podcast production, including content development, recording techniques, and audio editing.	**October 10th – 25th 2021**
SMAN 35 JAKARTA • Creative Team of Buku Tahunan Siswa 2021 • Creative Team of CARTENS 35 2020 • Master of Ceremony Bulan Bahasa 2019 • Master of Ceremony GAMA EXPO 2019	**September 2020 – June 2021** **September 2019 – March 2020** **October 26th 2019** **June 28th 2019**

OTHER TECHNICAL SKILLS

Programming: HTML, CSS, JavaScript, Java, PHP, SQL.

Software Programming: Android Studio, Visual Studio Code, MySQL, SQL Server.

Office Productivity: Microsoft Office (Excel, Word, PowerPoint).

Design: Canva, Adobe Photoshop.

Video Editing: Capcut, Adobe Premiere Pro, iMovie.
